

# European Women in Mathematics German Chapter

## CONFERENCE 2017

9-10 June 2017 - Bielefeld University

### Invited Speakers

Kathrin Bringmann (*Universität zu Köln*)

Katharina Habermann (*Georg-August-Universität Göttingen*)

Martina Juhnke-Kubitzke (*Universität Osnabrück*)

Gitta Kutyniok (*TU Berlin*)

Anita Winter (*Universität Duisburg-Essen*)

### Organizers:

Barbara Baumeister (*Universität Bielefeld*)

Christine Bessenrodt (*Leibniz-Universität Hannover*)

Barbara Gentz (*Universität Bielefeld*)

Initiative *Young Women in the CRC 701*

There will be presentations by the invited speakers as well as a limited number of contributed presentations. A poster session will provide opportunity for all participants to present their work. In addition, the programme will feature a round table discussion.

Everyone is welcome to attend.
